### Antidote for Anxiety! - John 14:1-6

#### I. I've already got the disease! v. 1

- Stop right where you are!
- Being happy isn't what Jesus called me to - Being HOLY is!

#### TAKE IT HOME:

- Staying in the Light neutralizes the darkness.
- I must monitor myself for the disease to keep it away!

#### II. I'm going in Head First! - v. 1b

- Confidence is more than certainty of what HAS happened!
- Reliance on God's provision releases us from self-reliance!

#### TAKE IT HOME:

- What would you attempt for Christ if you knew you couldn't fail?
- What "present sufferings" (romans 8:18) do you need to release to the Lord today

#### III. I believe in a bright future! - v. 2-4, 6

- I've got a purposeful future
- And a passionate guide to get me there.

#### TAKE IT HOME:

- Even if I don't know the HOW, I certainly can know the WHO!
- All of us have an eternity ahead - the question is where will we spend it?
